3. Discussion: Since all unified and specified commanders are similarly concerned, they also have a need for over-all information as well as specific actions that might affect their command. Accordingly, recent JCS papers which would be of value to the unified and specified commanders are being forwarded to them by a Secretary's Memorandum. Further information will be prepared and dispatched as the situation warrants. The JCS approved this over-all procedure at their meeting on 4 March 1959. The message in the Appendix hereto would inform the commanders of this action, as well as reply to CINCSAC. 8
